

# ACCOUNT TRANSFER FORM INSTRUCTIONS

Complete all sections according to the instructions below. Please print or type all information. Return the completed form to your financial organization.

**NOTE:** You must attach your most recent brokerage account statement to process this account transfer. For an internal transfer (for instance, a transfer of assets between two introducing broker-dealers who clear through Pershing) the brokerage account statement is not required.

## I. RECEIVING FIRM INFORMATION (Only one per form)

- Provide your Pershing account number.
- Provide your Social Security Number (SSN) or Tax Identification Number (TIN).
- If the account is a joint account, provide the SSN or TIN for the joint owner.
- Provide the two character account type code that most accurately describes your account.

## II. DELIVERING ACCOUNT INFORMATION

- Provide the clearing firm number. If there is no clearing firm number, enter the delivering firm name, contact name, and telephone number.
- Provide the original account number of the account you are delivering to Pershing.
- Provide the account title as it appears on your brokerage account statement for the account you are transferring.

## III. TRANSFER TYPE (Choose only one)

Indicate the type of transfer you are requesting by checking the appropriate box. Pershing will only transfer positions in kind for retail accounts. For nonretirement accounts, the quickest way to liquidate your assets is to call your existing financial organization and place a sell order. In order to ensure that the trade is executed at the time and price you want, request to have the proceeds check mailed directly to you. When you receive the check, mail it (including your account number on the check) to: **PERSHING, ONE PERSHING PLAZA, 14TH FLOOR, JERSEY CITY, NEW JERSEY 07399, ATTENTION: MONEY DESK.**

- A Direct Registration System (DRS)/Direct Reinvestment Plan (DRIP) transfer is a transfer of a position held directly at the transfer agent.
- A direct mutual fund transfer is a transfer in kind of a direct mutual fund position from the mutual fund company.
- Bank retirement plan accounts involve transfers of retirement plans at banks with CDs, checking accounts, or savings accounts. Please indicate if you want to liquidate immediately or defer these instructions until maturity date. Please contact your financial organization to stop any automated rollover reinvestments. (Please read section V and sign when applicable.)

## IV. PARTIAL TRANSFERS, DIRECT MUTUAL FUNDS, AND LIQUIDATIONS

If you selected Partial Transfer, use this section to specify the appropriate assets for a partial transfer. If you selected Direct Mutual Fund Transfer, use this section to identify the mutual fund positions to transfer.

- Liquidation instructions will only be accepted from non-National Securities Clearing Corporation (NSCC) firms.
- Select a dividend and capital gain option for direct, in kind mutual fund transfers. If a box is not checked, Pershing will process the transfer as reinvest, for dividend and capital gain options.

## V. RETIREMENT PLAN RESTRICTIONS AND CERTIFICATIONS

If you are transferring a retirement account and are over the age of 70½, read this section carefully. Contact your investment professional or financial organization if you have any questions.

- The new custodian must provide the appropriate paperwork.
- For retirement accounts for which Pershing LLC acts as the custodian or servicing agent, you must pay all termination fees to your prior custodian before you can transfer assets. Any deposit made to your Pershing LLC custodian account to reimburse fees after the transfer shall be processed as a current year contribution.

**NOTE:** If you are transferring from a trustee, make the appropriate selection. If you have selected someone other than Pershing LLC as custodian, have your investment professional or financial organization obtain the necessary signatures to accept custodianship.

## VI. PARTICIPANT SIGNATURE AND CERTIFICATION

- Sign and date the form.
- The form must be signed, dated, and signature guaranteed within 90 days of its receipt.

## **Important Information Regarding the United States Treasury Department's Temporary Guarantee Program for Money Market Mutual Funds**

As you may be aware, the United States Treasury Department (the Treasury) issued a temporary guarantee program for the U.S. money market mutual fund industry (the Program). Under the Program, which was announced by the Treasury on September 19, 2008, the Treasury will guarantee the stable net asset value of any publicly offered eligible money market mutual fund that applies for and pays a fee to participate in the Program.

The Program provides coverage to beneficial shareholders for amounts that they held in participating money market mutual funds as of the close of business on September 19, 2008. The guarantee will be triggered if, after the close of business on September 19, 2008, a participating fund's per share net asset value falls below 99.5 percent of the stable share price. The Program will terminate on December 18, 2008, unless extended by the Secretary of the Treasury.

**It is important to know that transfer of accounts from one brokerage firm to another will result in loss of the guarantee benefit.**

Shares held on September 19, 2008 in money market mutual funds that are participating in the Program, and transferred during the time the Program is in effect, will lose the benefit of the guarantee upon closure of the account with the carrying firm because transferring shares from one ownership structure to another is deemed to be a new investment made.

The Treasury has published Frequently Asked Questions about the guarantee program, which are available on its web site (<http://www.ustreas.gov/press/releases/hp1163.htm>). The question specifically pertaining to account transfers is shown below:

- Q: Assume an investor owns shares in a participating fund at the close of business on September 19, 2008 in one ownership structure (e.g. directly, through a broker or other intermediary, or through another vehicle like a 401(k) or individual retirement account [IRA]). Can the investor transfer his shares in the same specific fund and hold them through a different ownership structure (i.e. to a new direct ownership structure, a new broker or other intermediary, or a new vehicle like a 401(k) or IRA) and still be covered?
- A. No. Transferring shares from one ownership structure to another would be deemed to be a new investment made after September 19, 2008 and would not be eligible for coverage.

**This transfer of account will automatically terminate any temporary guarantee of your money market mutual fund that was purchased on or before September 19, 2008. Only certain money market mutual funds qualified for this guarantee program. Please contact your investment professional if you have any questions.**
